

We make IT easy.

TPx gives your customers peace of mind through one trustworthy source for their IT needs. All while making it easier for you to grow your business.

Expand Your Business

What's in it for you, a valued TPx Channel Partner?

Grow Your Revenue

Expand your service offering and portfolio, target new markets, and upsell and cross-sell easily with comprehensive solutions from an award-winning Managed Services Provider.

Make Marketing Easy

Access professional marketing materials and resources to attract new customers and grow current accounts. Add your logo to any resource and get support with promotional efforts.

Get Competitive Compensation

Take advantage of some of the most competitive residuals in the market coupled with SPIFFs and reward travel opportunities to sweeten the deal.

Get Dedicated Support

Our seasoned Channel team offers help with everything from customer issues to commission questions, training, and easy access to technology specialists.

Increase Customer Retention

With great technical support, an industry-best SLA, and access to a wide range of solutions from a trustworthy source with 700+ dedicated service delivery team members, your customers won't just be happy — they'll stick around.

Partner IT Training

Need to learn more about new solutions? TPx provides partners with advanced IT training and one-on-one support from our experts.

Simplify for Your Customers

What's in it for your customers?

No Such Thing As "Out of Reach"

Nationwide coverage means customers can expect the same service, support, and options no matter where they're located.

24/7
365

24/7 Customer Service

Customers have around-the-clock access to our certified support teams. They are also backed by a deep bench of experts for easy, timely escalation should a complex issue arise.

One-Stop Shop

No more juggling vendors, keeping track of multiple invoices, or hunting for the best price. Customers' IT needs are covered from top to bottom with TPx's many services.

Tailored Solutions

One size doesn't fit all. Our services can be personalized to each customer, with flexible options to meet a variety of needs and budgets.

After nearly 25 years in the channel, I have finally found a company that understands the channel, invests in the channel, and supports partners every day!"

Stacy Conrad, SVP Channel Sales

Solutions To Drive Business Continuity

We solve the most complex IT issues for businesses across the United States. Give your customers the best of IT with comprehensive solutions that provide peace of mind and limit business disruptions.

Connectivity

Business internet expertly sized and sourced from a curated list of providers. Managed and woven into a resilient network solution that goes beyond what is available from carriers.
